

Versatile solutions for an evolving digital age.

TASKalfa MA4500ci Series

A4 Colour printer and MFP

Up to 47 pages per minute

1200x1200 dpi resolution

End-to-end security

Designed with your problems in mind

The only way to manage change in an ever-evolving world is through new technology.

Business concerns about **cybersecurity threats** are on the rise. Many organization leaders are struggling to manage numerous devices in **hybrid work environments**. Others are attempting to contain their **document chaos** before it explodes. And if that wasn't enough, the pressure to **maximize productivity** is at an all-time high.

This is where Kyocera has got you covered. With a new Printer and MFP option, the speedy new **TASKalfa MA4500ci Series** helps you tackle your biggest printing and document management pains.

This solution is for you if you...

- Seek the peace of mind that comes with end-to-end document security.
- Scan large volumes of documents on a daily basis and require enhanced scanning functions to optimize your workflow.
- Print or scan non-standard sized documents such as prescriptions, receipts, delivery slips or banners.
- Want to relocate devices according to workstyles changes and would benefit from a slim and compact device.
- Demand user-friendly technology that offers easy setup, an intuitive user interface, and effortless maintenance.

A perfect blend of productivity and security

With the TASKalfa MA4500ci Colour Series, Kyocera fosters secure collaboration between remote teams, thus ensuring minimal risks when sharing information.

Security features include:

Quick Security Setup

Provides three preset levels of security protection.

Allow List

Helps prevent malicious software from loading.

Secure Data Communication

Provides secure network communication.

SSD Data Security (option)

Enables simplified overwriting and data encryption.

PDF digital signature for MFPs

An extra step to ensure document control.

Card authentication

For secure print job authentication at the device.

With secure foundations, **the TASKalfa MA4500ci Series makes it simple to work smarter** by employing a series of productivity-enhancing features:

- + **Start faster:**
Print your first page in approximately 5.1 seconds or less.
- + **The need for speed:**
These colour devices come with speeds of up to 47ppm.
- + **Accelerated digitalization:**
Convert physical documents into digital information in an instant.
- + **Reach for the cloud:**
Kyocera's cloud software facilitates greater collaboration and efficient working.

What's more, these products achieve a smarter and secure working environment that **will keep costs down** and productivity high.

Kyocera Document Solutions has championed innovative technology since 1934. We enable our customers to turn information into knowledge, excel at learning and surpass others. With professional expertise and a culture of empathetic partnership, we help organizations put knowledge to work to drive change.
