

Kyocera Document Solutions Canada, Ltd.

ISO 14001 Environmental Policy

Kyocera Document Solutions Canada, Ltd., a wholly owned subsidiary of Kyocera Document Solutions Corporation, Japan, and a leading provider of computer connectable peripherals (printers, laser facsimiles, etc.), strives to protect the environment, conserve natural resources, and to be an exemplary corporate citizen. To accomplish this, we are committed to:

- Reduce our energy and material consumption by reusing items and recycling when possible;
- Reduce the environmental impact associated with our products and activities;
- Comply with applicable municipal, provincial and federal regulatory requirements;
- Periodically review the objectives and targets of our environmental management system to reduce waste and the consumption of materials, energy and resources;
- Continually improve our performance strategy to prevent pollution whenever possible;
- Communicate and train our employees, and those who work directly on our behalf, to carry out our environmental policies; and
- Make our Environmental Policy available to the public.
